

Mesh/Rebar Spacer

SKU: 3059-RC1 & 3059-RC2

Polylok's Round Base Mesh/Rebar Spacers are designed for versatility, offering two height options per chair: 1.5" (38 mm), or 2" (50 mm), and 2.5" (63 mm), or 3" (75 mm).

Each spacer features a built-in sand pad (wide base) that ensures maximum stability on-site. The open-top design allows for easy rebar tying. Reinforcing Mesh simply slots into place at the desired height. Extremely easy to install saving time on-site. These are the strongest plastic mesh chairs on the market - **won't collapse when walked on!**
